

4.3 Problem

1. Are the meadian of these three populations the same? First you need to find the median.

Pop.1		Pop.2		Pop.3	
35		17		23	
42		29		45	
30		35		15	
30		25		20	
26		41		30	
		32			

	Pop.1	Pop.2	Pop.3	
>30				
<=30
